Sudden Service Troop/Group Registration

Each year the Council receives requests from local organizations for Girl Scouts to participate in flag ceremonies, help at receptions, appear on the news and much more. Often these requests are made at the last minute for a specific location, troop size, or age level. Because of such short notice a program has been established to respond to these requests. If your troop can do things at the drop of a hat, complete the Sudden Service Registration Form.

Girl Scouts participating should wear their uniform and closed-toed shoes. If a girl does not have a uniform, they should wear their sash or vest, a white top with sleeves (no tank tops), khaki, navy or black pants/skirt,* and closed-toed shoes.

**group should decide which color to wear so the end result is a uniformed look*
